

Barre Army Recruiting Station

ABOUT

Our U.S. Army is the nation's most versatile force, adaptive in size, structure, and skills to meet the changing challenges of today's security environment. Comprised of over 700,000 Soldiers, the U.S. Army fills many roles. They are doctors, lawyers, and engineers; they are electricians, computer programmers and helicopter pilots; they are police officers, logistics experts and civil affairs representatives. The Army's constant need for a diverse range of individual Soldiers, each with his or her own expertise is what sets it apart from other military branches.

EMPLOYMENT OPPORTUNITIES

Infantry

The infantry is the main land combat force and backbone of the Army. It's also the starting point for many advanced schools such as: Special Forces, Airborne School, Ranger School, Sniper School, and Pathfinder School. You will be training on how to defend the country against any threat by land. As well as capture, destroy and repel enemy ground forces during combat. <https://www.vermontjoblink.com/ada/r/jobs/684937>

Microwave Systems Operator/Maintainer

Microwave systems installer-maintainers are primarily responsible for installing, operating and maintaining microwave communications systems. They also work with associated antennas, multiplexing and communications security equipment. <https://www.vermontjoblink.com/ada/r/jobs/684939>

Test Measurement and Diagnostic Equipment Maintenance Support Specialist

Distance, pressure, altitude, underwater depth – they're all measured by precision instruments. The test measurement and diagnostic equipment support specialist keeps all the Army's precision instruments in top condition! <https://www.vermontjoblink.com/ada/r/jobs/684940>
